ROSEBEN GRAPPE

BAD IN STRETCH

Heavy Favorite in Metropolitan
Finishes Fifth—Grapple
Lands First, 8 to 1.

New York, May 10.—Twenty-two horses of medium class went to the post today in the fifteenth Metropolitan handicap, and after a mile journey over the main course at Belmont park in 1:39, John A. Drake's 4-year-old gelding, Grapple, by Wollasthorpe-Zabara, finished under the wire a winner by three-fourths of a length. Second was F. R. Hitchcock's 4-year-old Danadon, bred in France, of James McLaughlin's Oxford. Israel, second choice in the betting, was fourth, and Roseben, the public favorite, was fifth. Roseben led into the stretch, but did away in the last furlong, his effort being a repetition of the losing race he ran ten days ago in the excelsior handicap.

Roseben Well Played.

The betting against the winner was 8 to 1, and he was heavily played. Against the second horse, Danadon, there was 6 to 1 for place, while Oxford was not seriously considered at 10 to 1. Israel was always held at 5 to 1, while the now twice defeated Roseben went back a point in the betting from 2 to 1 to 5 to 1. The big field managed to get away from the barrier in quite a compact bunch except Ormonde's light, who was in front only the horses which finished in the first five places were prominent in the running. Roseben's defeat was accepted philosophically by the crowd, which was the largest of the racing season, despite the condition and threatening weather. Roseben carried 120 pounds, the top weight, but despite this heavy impost he whirled away in front at a dizzy pace, and it was due to his early efforts that such good time was made over the dry but dead track on the going.

Held Out Until Stretch.

The big gelding maintained his lead to the stretch, but Danadon, Oxford, Israel, and Grapple were always within striking distance. Danadon, who had been closed with a great rush and won handsily under Garner's good ride, O'Neill pushed Danadon into second place, while Hildebrand performed the unexpected feat of leading the gray horse Oxford inside the money. Miller was in front at the line as usual as in Roseben's saddle. The Metropolitan was worth nearly \$14,000 this year, the first time since 1890 that such good time was made over the dry but dead track on the going.

The Summary.
